**CONSENT AGREEMENT  
BETWEEN  
DANIEL I. BORISON, M.D.,  
AND  
THE STATE MEDICAL BOARD OF OHIO**

This Consent Agreement is entered into by and between Daniel I. Borison, M.D. [Dr. Borison], and the State Medical Board of Ohio [Board], a state agency charged with enforcing Chapter 4731., Ohio Revised Code.

Dr. Borison enters into this Consent Agreement being fully informed of his rights under Chapter 119., Ohio Revised Code, including the right to representation by counsel and the right to a formal adjudicative hearing on the issues considered herein.

**BASIS FOR ACTION**

This Consent Agreement is entered into on the basis of the following stipulations, admissions and understandings:

- A. The Board is empowered by Section 4731.22(B), Ohio Revised Code, to limit, revoke, suspend a certificate, refuse to register or reinstate an applicant, or reprimand or place on probation the holder of a certificate for a violation of Section 4731.22(B)(20), Ohio Revised Code, for "violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board."
- B. The Board enters into this Consent Agreement in lieu of formal proceedings based upon the violation of Section 4731.22(B)(20), Ohio Revised Code, to wit: Rules 4731-11-02, General Provisions, and 4731-11-11, Standards and Procedures for Review of "Ohio Automated Rx Reporting System" (OARRS), Ohio Administrative Code, as set forth in Paragraph E, below. The Board expressly reserves the right to institute formal proceedings based upon any other violations of Chapter 4731. of the Revised Code, whether occurring before or after the effective date of this Consent Agreement.
- C. Dr. Borison is licensed to practice medicine and surgery in the State of Ohio, license number 35.057425.
- D. Dr. Borison states that he is not licensed to practice in any other state or jurisdiction.
- E. Dr. Borison admits that from in or around June 2016 through in or around December 2016, he issued approximately ten prescriptions for Zenzedi and/or Vyvanse to an individual who was a colleague at a medical practice. Dr. Borison states that his colleague asked him to refill medications that she previously had been maintained on for ADD. Dr. Borison further admits that he did not chart the issuance of the aforementioned prescriptions, and that each prescription he wrote was for a dosage of either 20mg or 30 mg and for either 15 or 30 days. Dr. Borison attests that he previously had provided medical treatment to this colleague and he maintained a

patient chart with respect to the prior medical treatment he rendered. Dr. Borison further attests that he obtained a history and performed an appropriate assessment prior to issuing the prescriptions. However, Dr. Borison further admits that he failed to access and review OARRS as required.

Further, all parties agree that to the extent any language in the agreement will be interpreted in a subsequent dispute, no ambiguous language shall be construed against the party drafting this Consent Agreement.

Dr. Borison acknowledges that he has had an opportunity to ask questions concerning the terms of this Consent Agreement and that all questions asked have been answered in a satisfactory manner.

Any action initiated by the Board based on alleged violations of this Consent Agreement shall comply with the Administrative Procedure Act, Chapter 119., Ohio Revised Code.

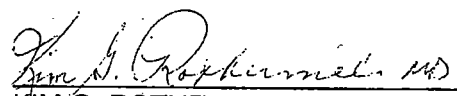

Dr. Borison hereby releases the Board, its members, employees, agents, officers and representatives jointly and severally from any and all liability arising from the within matter.
